

Table Q1
 Q1 If a general election were to be held tomorrow, where people in Scotland vote for Westminster some people we have spoken to say they would not vote while others have said they would vote. Using a ten point scale, where 10 would mean you are absolutely certain to vote and 1 would mean you are certain not to vote, could you say how certain it is that you would go and vote?
 Base: All respondents

Table Q5 (continuation)

Q5 I am going to read you out some things that other Scots have told us over the last few weeks and we just want to know whether you agree or disagree with them. For each one please tell me whether you STRONGLY agree, agree, disagree or STRONGLY disagree : Alex Salmond and his SNP Government should concentrate on Scottish Parliament affairs rather than Westminster affairs
 Base: All respondents
